SEAT Wood Timber:

Eco wood

Bench combining the comfort of a certified wood and the strength of the metal. The metal structure is electro-galvanized and is powder coated. These technological methods protect the metal from corrosion and increase its performance. The planks are treated with a special coating, which protects them from aggressive weather conditions and prolongs t \dots

> Diameter: 191,0 cm **Length:** 56,0 cm Height: 82,0 cm
