## SBM 101 M LX cabinet 1040x600x432mm

SBM cabinets with swing doors are a great solution for increasing the storage space for documents. SBM cabinets are available in many interior configurations. The furniture does not require assembly, which makes it more durable and stable. Gliders make it easy to move the cabinet, and leveling feet in the range of 10 mm, adjustable from the inside, allow you to set the cabinet in any room. Continuous internal perforation along the entire height of the cabinet allows you to adjust the height of the shelves every 25 mm, making SBM metal cabinets universal in use. Th ...
