SBM 109 M cabinet 1040x1200x435mm

SBM cabinets with louvered doors are a great solution for increasing the storage space for documents in tight spaces. The version with louvered doors additionally saves the space that would be occupied by opening the swing doors. SBM cabinets are available in many interior configurations. The furniture does not require assembly, which makes them more durable and stable. Continuous internal perforation along the entire height of the cabinet allows you to adjust the height of the shelves every 25 mm, making SBM metal cabinets universal in use. The contents of the ca ...
