LSZ 2 Bench 1650 x 1000 x 730mm

218.73 €

Multifunctional freestanding benches are an indispensable element of changing room equipment. ŁSZ series benches are suitable for changing rooms, corridors and canteens. The structure of the benches is welded from steel profiles, which makes it stiffer than in the case of bolted benches. The comfortable seat is made of four wide slats of solid wood. The slats are varnished with a colourless varnish, which makes it easier to keep clean and provides protection against moisture. There is a crossbar under the seat that stiffens the frame and prevents the slats from bending. A great advantage of the ŁSZ series products are adjustable feet, which facilitate levelling and provide stability on uneven floors.

- Weight [kg]18
- Equipmentadjustable feet
- Sheet thickness [mm]25x25x1.5
- Fire reaction classificationA2-s1,d0
- Adjustable feetYes
