METAL PLANTER 299-WS

1,094.00 €

The metal planter model 299 represents the pinnacle of luxury and style. The combination of a high-quality stainless steel structure with vertical wooden elements made of ecological Resysta® timber creates a product that is timeless. Developed in Germany, this timber comes with a *15-year warranty* against cracking and delamination, provided by the timber manufacturer. The planter is also available in a variant with traditional spruce wood. Premium protective coatings on the wood guarantee long-lasting durability. This unique planter is a true throne for your botanical world. With a height of 63 cm, it offers ample space for taller plants or shrubs. This model is ideal for large outdoor and indoor spaces where it will make an impression and leave a distinctive mark.
