RECTANGULAR CONCRETE PLANTER 80 exposed aggregate

202.00 €

Stylish and low rectangular planter made out of high-performance concrete and natural aggregate. The concrete is reinforced and fiber strengthened. The aggregate is made of natural marble or granite stones with specific sizes and the possibility of different color combinations. The surfaces are embossed and treated with a special protective coating. The product has that basic shape, both standard and surviving fashion trends. Great solution for arranging alleys and entrances to private and public buildings. The natural colors of the aggregate are perfectly combined with various plant compositions.
