## CONCRETE BENCH 320 E seat polished aggregate, sides exposed aggregate

1,824.00 €

Concrete bench made of high-performance reinforced fiber concrete aggregate of natural marble or granite stones, in different color combinations. All surfaces are polished and further protective coating, which makes the product even more resistant to aggressive weather conditions, reduces dirt deposition and improves the hydrophobic properties of concrete. The clean geometric shape and delicate lines allow the elegance of the bench to create even more beautiful urban spaces.

**Diameter:** 50.0 cm
